**(Difficulty Level)**

**Easy:** Easy pace and terrain, gentle climbs or water conditions. Often shorter events suitable for everyone without a mobility difficulty or specific health/fitness problem.

**Moderate:** Moderate pace, some steep hills or muddy with obstructions such as streams, excessive tree roots, etc, or choppy water conditions. Good level of fitness required.

**Strenuous:** Challenging pace over rough terrain or water. Experienced hikers, cyclists or paddlers with good level of fitness.
